## Corporate/Business Sponsorship Program - Spring/Fall 2020

**Angleton Little League** is a non-profit organization serving approximately 500 boys and girls in the heart of Brazoria County. 2018 and 2019 were successful years for **Angleton Little League** and we are all very proud of our kids and our park. Your continued support will help our girls and boys to continue to reach to new heights. Our 2020 Season is coming with some needed improvements to our facilities at the Freedom Park Complex .

We hope that you will support our 2020 Little League program and help us continue to progress children's love of the game, enhance their skill levels and developing the qualities of citizenship, discipline and teamwork and physical well-being.

Funds are raised from registration fees and through the generous support of local sponsors and businesses. The children and our league rely on this financial support to provide funding for umpires, uniforms, safety equipment, field maintenance, insurance, league play expenses and registration fees for children in need.

For our Sponsors and Partners, the relationship with **Angleton Little League** affords exposure and access to the dynamic Brazoria County residential and business areas encompassing zip codes 77515 and 77516. **Angleton Little League** Corporate Sponsors and Partners gain:

- Visibility and exposure to the families of our league and the families of several prominent Brazoria County public and private schools
- Potential exposure from traffic from adjacent schools, community track, tennis courts and community businesses
- Access to 500+ families residing within our league boundaries in the vibrant Angleton community
- Increased visibility of your business
- Potential to drive traffic to your website and/or Facebook page
- Positive public and community relations resulting from your support of Angleton Little League

There are many ways you can help support the boys and girls of Angleton Little League. We are pleased to share our 2020 sponsorship program, including visibility and engagement with our families and members.
